

FLEX Benefits for Singapore – effective 20 January 2020

Eligible Claimant

Employees

Full time permanent employee.

Dependents

Spouse : Legal dependents

Child : Legal dependents

Entitle Limit

Total **SGD1,000** per annum for employee and their eligible dependents.

Eligible Period

Start : The first day employee start work

End : The last date of employment

Limit : Pro-rate according to the number of calendar days employee worked in that year

(case study)

Annie started work on 01.Nov.2019.

She will enjoy pro-rate FLEX benefits calculated as follow:

Total calendar days for 2019 is 365 days

Total number of calendar days employee worked in year 2019 is 61 days (30 + 31)

$$\frac{\text{SGD 1,000}}{365 \text{ days}} \times 61 \text{ days} = \text{SGD 167.12}$$

Additional Note:

For employee who utilized in excess of the entitled pro-rated FLEX Benefits, he/she would be required to pay back to the Company the amount in excess, via cash, cheque, or GIRO.

Four main categories of FLEX expense type:

Expense Type	Taxation Status	CPF Payable Status	Additional Comments
Medical	-	-	Tax & CPF: Exemption granted if expense incurred must be deemed necessarily (ordered) by the registered doctors, TCM practitioners treating for a medical condition required consultation and treatment but is not claimable by company group insurance plan
Wellness	-	Y	Tax - not taxable for medical benefits open to all employee CPF - not necessarily incurred on behalf of employer for official purpose.
Health	Y	Y	Tax & CPF: Taxable as this is not necessarily incurred on behalf of employer for official purpose.

Legend:

Taxation Status : If stated as "Y", this reimbursement amount is required to report for individual income tax to IRAS

CPF Payable Status : If stated as "Y", this reimbursement amount is required for contribution to CPF by employee & employer
