

SKETCH PLAN

DESCRIBE CIRCUMSTANCES OF THE ACCIDENT

On 27 Mar 2019, ^{In the} morning around 8.05am, I drove to attend a meeting in Kallang place, together with another 2 passengers, Alyssa / Crystal Lin.

When I exit from Yuan Ching Rd. and turning into Jln Ahmad Ibrahim (towards AYE), my car rear ~~my~~ left tyre was hit by a comfort taxi during the turning. (pls refer to sketch above)

Because I was rush to attend a meeting at Kallang place and I thought it was a small scratch as my car was running well, so I didn't stop and exchange the contact info with taxi driver. I only found there was a big dent at rear left tyre area and advised by my colleagues / AIB phone support to report this accident to avoid the other party claimed

insurance against me to protect myself from unfair charge. I will report the accident to police station ~~too~~ once police station opened.

Hope can claim the repair cost from the other party too if there's a claim against me. This is my first accident in past 6 years, so overlook the procedure of exchanging drivers' info, ~~it's~~ it's not a hit & run case. In fact, I was

DECLARATION

I/We declare the foregoing particulars are true in every respect. ^{the victim of the accident.} So wish to claim the damage to the other party too.
