

Thank you for completing Step 1: Apply for Rights Shares and/or Rights Mandatory Convertible Bonds

Step 1 of your application process has been completed. Please proceed to Step 2 to make your payment. A summary of this page will be emailed to you. Please check your spam folder if you do not receive your acknowledgement email.

Proceed to Step 2: Pay via PayNow using your preferred bank's Mobile Banking App or Internet Banking Platform

- You are required to complete your payment via PayNow fund transfer by 10:30 p.m. on the same day as your application; however on 28 May 2020 (Closing Date), you are required to complete your payment via PayNow fund transfer by 9:30 p.m. Otherwise, your application will be invalid.
- Please ensure that your daily transfer limit for PayNow is sufficient for your application. Do note that the maximum limit for each PayNow transfer is SGD 200,000 for most banks
- Please take note of the 14-character Bill Reference Number(s) that are provided below on this page
- While making your PayNow payment, please ensure that:
 - you select PayNow to Unique Entity Number (UEN) and enter **196800306ECPS** as the UEN (the Entity Name should show SIA PAYNOW RIGHTS ISSUE ACCOUNT); and
 - **only the relevant 14-character Bill Reference Number starting with RTS or MCB** is entered into the Bill Reference Number field
- **Please note that any additional characters or missing characters in the Bill Reference Number field will result in the transaction not being successfully matched with your application**
- Separate payments have to be made with the respective Bill Reference Numbers if you apply for both the Rights Shares and the Rights Mandatory Convertible Bonds
- If you do not quote your Bill Reference Number with your payment, or if you quote an incorrect Bill Reference Number, your application will be incomplete and will be rejected, or your payment may be detected and processed as payment for another person's application.
- You will receive an email notification updating you on your payment status within the next two days
