

Recovery code

If you lose access to your device you can deactivate two factor authentication using the following recovery code:

1ZZ2 NFBS D8MQ CYB6

Account:

lakesider640@gmail.com

Activation date:

12/15/2019 2:53 PM

Keep your recovery code in a secure place! Consider printing more than one copy in case one copy gets lost or destroyed. The recovery code can only be used to deactivate two factor authentication for your account.
