
Waters Knowledge Base

Is there an Injection Volume range for the Detector Response Check in the Alliance Empower SystemsQT? - wkb68966

ENVIRONMENT

- Empower 3
 - Alliance HPLC System
 - Empower SystemsQT for Alliance HPLC systems Revision N
-

ANSWER

No, there is not a set injection Volume Range. The Detector Response Check is not considered a test as it is a check only, and does not have pass/fail acceptance criterion.

ADDITIONAL INFORMATION
