Save as set out above, all other capitalised terms referred to in this Invitation to Tender shall have the same meanings as those given in the Conditions of Contract.

2. EVALUATION CRITERIA

- 2.1 Where the Invitation to Tender specifies evaluation criteria in terms of the financial category and supply category/head required for registration with any Government Registration Authority (GRA), namely the Expenditure and Procurement Policies Unit of the Ministry of Finance, and/or the Building and Construction Authority, the Tenderer must be registered with the relevant GRA.
- 2.2 Where a Tenderer's existing registration with a GRA, which is valid up to the closing date of this Tender, specifies that the Tenderer has met the particular criteria in relation to a particular financial category and supply category/head, NUS will regard the Tenderer as having met the criteria for the financial category and supply category/head set out in the registration and in the manner set out in the registration.
- 2.3 Tenderers who are registered with the relevant GRA, specifying that they have met the criteria for this Tender, must declare their registration status in the manner set out in the Invitation to Tender.

- 2.4 Tenderers who do not hold a valid registration from the relevant GRA specifying that they have met the criteria for this Tender are advised to apply for the registration with the relevant GRA at the earliest possible opportunity and declare their registration status in their tenders. For registration with EPPU, Tenderers should apply through the Government Electronic Business (GeBIZ) Homepage at <http://www.gebiz.gov.sg>. If by the closing date of tender, their registration with the relevant GRA is still pending, Tenderers should enclose a copy of the receipt for registration fee paid issued by the GRA(s) with their tenders.

3. ELIGIBILITY

- 3.1 Any company or business that is currently debarred from participating in NUS tenders is not eligible to participate in this Tender. If a tender is submitted without explicitly mentioning that the Tenderer or any of its proposed sub-contractors is currently debarred, NUS shall treat the submission of the tender as an express continuing declaration by the Tenderer that the Tenderer or each of its proposed sub-contractors is in fact eligible to participate in this Tender and, if such a declaration is discovered to be false, NUS will be entitled to rescind any contracts entered into pursuant to such a tender, without NUS being liable therefor in damages or compensation.
- 3.2 Where sub-contracting is allowed after the award of the Tender, it shall be the responsibility of the Contractor to ensure that its proposed sub-contractor submitted to NUS for approval is not debarred from participating in NUS tenders.

4. SUBMISSION OF TENDER

- 4.1 The Tenderer must complete and submit the documents referred to in and in accordance with Annex 1 hereto.
- 4.2 Where tenders are to be submitted using tender box,
- a) Tenders must be submitted in sealed envelopes. Tenderer shall specify clearly on the top left-hand corner of the envelope (i) the Tender number; (ii) the closing date and time of the tender; (iii) the tender box number (if any) to which the tender must be delivered; and (iv) the name and address of the Tenderer.
 - b) The Tenderer shall ensure delivery into the tender box, which will be in a position accessible to the public.
 - c) The Tenderer shall submit his tender and any supporting data in sets of two (2). One set is to be marked as "Original" and the other set to be marked as "Copy".
- 4.3 NUS reserves the right to reject tenders not submitted in accordance with the mode(s) of submission specified in Annex 1 hereto.
- 4.4 Any inconsistency or conflict arising between parts of the tenders submitted using EPS and the tender box shall be resolved in favour of the parts submitted through EPS.

5. COMPLIANCE WITH INSTRUCTIONS

Tenders will be accepted only if submitted according to the instructions contained and in the form(s) prescribed in the Invitation to Tender. Any tender which attempts to vary the Form of Tender or Conditions of Contract is liable to be rejected. In consideration of

the Tenderer agreeing to abide by these instructions in the Invitation to Tender, NUS shall evaluate the tenders fairly and in accordance with the said instructions. In the event of any inconsistency or contradiction between the Conditions of Contract and the Tenderer's submission, the Conditions of Contract shall prevail.

5A. NEGOTIATIONS

NUS may conduct negotiations for the Tender. Any elimination of Tenderers from participating in the negotiations will be carried out in accordance with the evaluation criteria set out in the tender documents. When negotiations are concluded, a common deadline will be provided for the remaining participating Tenderers to submit any new or revised tenders.

6. VALIDITY PERIOD

Tenders submitted shall remain valid for acceptance for the validity period specified in the Form of Tender and during such extension of the period as may be agreed to in writing by the Tenderer at the request of NUS.

8. COMPLIANCE WITH TECHNICAL REQUIREMENTS

The Tenderer shall provide explicit responses of compliance or non-compliance with any technical requirements enclosed in this Invitation to Tender. In the event of any non-compliance with the technical requirements, the Tenderer shall satisfy NUS (by providing a certification from the manufacturer of the item offered or a copy of the relevant extract from any reputable publication citing clearly its title and edition) that the form, fit and function of the items offered are equivalent to the Goods required and that they are interchangeable. Where the Tenderer fails to satisfy NUS in the manner above, the tender is liable to be rejected.

9. ACCEPTANCE OF TENDER

- 9.1 NUS shall be under no obligation to accept the lowest, the whole or any tender. NUS shall normally not enter into correspondence with any Tenderer regarding the reasons for non-acceptance of a tender.
- 9.2 NUS reserves the right, unless the Tenderer expressly stipulates to the contrary in his tender, of accepting such portion of each tender as NUS may decide. NUS reserves the right to accept the offer(s) of one or more Tenderers.
- 9.3 The issue by NUS of a Letter of Acceptance, accepting the tender or part of the tender (see paragraph 9.2 for exception) shall create a binding Contract on the part of the Tenderer to supply to NUS the Goods and/or Services offered in the tender. 9.4 The Letter of Acceptance may be issued:

- a) through EPS to the successful Tenderer, or
- b) to the successful Tenderer's address as given in his tender by hand or by post.

Such issuance of the Letter of Acceptance through EPS, by hand or post shall be deemed effective communication of acceptance.

If no indication is given, NUS shall not be obliged to return any samples to the Tenderer. Notwithstanding the above, risk of loss or damage to the samples shall at all times remain with the Tenderer and where the samples are to be subject to destructive testing, such samples will not be returned to the Tenderer.

17. CLARIFICATION BY NUS OF THE TENDERER'S PROPOSAL

- 17.1 In the event that NUS seeks clarification upon any aspect of the Tenderer's proposal, the Tenderer shall provide full and comprehensive responses within seven (7) days of notification.

18. EXPENSE OF TENDERER

- 18.1 In no case will any expense incurred by the Tenderer in the preparation of his tender be borne by NUS.

19. GOODS AND SERVICES TAX (GST)

- 19.1 The Tenderer shall not include in the rates and prices proposed in his tender the Singapore Goods and Services Tax (GST) chargeable for the supply of Goods and/or Services required in the Tender. 24.2 The tenders received based on the firm and updated requirements shall form the basis of the final tender evaluation. The tenders received in the final round shall be complete and comprehensive, and shall supersede all tender proposals previously submitted. The final offer shall not make references to previous offers. All the tender proposals received in the previous rounds shall be treated as lapsed. Such final offers shall be submitted electronically through EPS and/or in sealed envelopes and deposited in the tender box as instructed.
