Hi Joel,

We understand from previous email, Flex has requested 2 control box back in 2018 under CEA# WPPL19002. Would you please advise TE/Tool no. for control box for PDA and 2998? So that we can check with Milford the progress on building of these 2 boxes.

Hi Eric,

Noted

So the total cost for a control box is :

PDA : \$1360.00 + \$3,302.28 = \$4662.28
2998 : \$1360 + \$3,191.81 = \$4551.81

Thank you.

Desmond
