Hi Gene,

I just forward the ICT Fixture quote from the vendor (Petracarbon) and has sent the quote to Paul.

Once he confirm, we can proceed with ICT as long as capex is approved.

Do have a schedule for the upcoming PCBAs to be release? This helps me forecast with finance on the capex side.

Thanks
Edwin

Hi Edwin,

Can you give an update on the status of the new test fixture for the 21000852 Ethernet PCB? It is very important we have fixtures ready by beginning of February.

Thanks,

Gene
