Hi Bill,

Christopher will ship out components for CPSM test box this week. We're going to work on CPSM tester upgrade soon.

Do you have GUID ready for CPSM testers in Venture? Please kindly share it with us once it's ready.

Thank you

Subject: GUIDs on the new testers

Hi HuaZhen,

Can you please hold off on using the new GUIDs I supplied yesterday? We're looking at an issue where they are incorrectly placed in the tree.

I'll let you know once they are good to use, or if I have new ones for you.

Thanks

-Bill
